

Friend --

Thank you for your initiative so far in calling on the Government to amend Bill C-7 in order to maintain safeguards and protect vulnerable Canadians from expanded physician assisted suicide.

Many Canadians are disturbed by the Liberal Government's complete lack of response to physicians and disability advocates calling for amendments to this legislation.

But there is very little time to make a difference as the Senate studies this bill.

**ACTION ITEM:**

Today, I ask you to phone:

**Senator Denise Batters-** 613-996-8922 ; [denise.batters@sen.parl.gc.ca](mailto:denise.batters@sen.parl.gc.ca) and

**Senator Brent Cotter-** 613-558-1268; [Brent.Cotter@sen.parl.gc.ca](mailto:Brent.Cotter@sen.parl.gc.ca).

**Senator Pamela Wallin:** Telephone: 613-996-2794; email: [pamela.wallin@sen.parl.gc.ca](mailto:pamela.wallin@sen.parl.gc.ca)

**Senator Marty Klyne:** Telephone: 613-943-7933; email: [Marty.Klyne@sen.parl.gc.ca](mailto:Marty.Klyne@sen.parl.gc.ca)

Thank them for their service to Canada. Then take a moment to express your concern over the government's expansion of euthanasia that would allow:

- same day death
- removal of the need for consent at the moment
- the removal of the need for two independent witnesses.

If you don't get through right away, please try again or leave a message.  
If necessary, send an email. **It is critical that Senators hear from you this week.** Your voice can make a difference. It may even save lives.
