An undertaking of this size requires the assistance of many people donating not only their "gently used items" but also the time and energy of many volunteers to ensure a successful fundraiser. Our last big sale required more than 60 volunteers over the course of the week, and due to everyone's generosity, the event was a great success.

Your time is worth gold to the success of this fundraiser.

Proceeds of the sale will be divided between

- ✦ **Christ the King capital fund**
- ✦ **Cuernavaca Project , supporting safe water, healthy homes and education for families in Mexico**
